- D. Conditions
 - 1. The Futurity is open to member breeders (and members of their immediate families) in good standing of the GDCA or one of the Affiliated Clubs provided that all other requirements are met. Where the nominated bitch is co-owned, one co-owner must be a member of the GDCA or one of the Affiliated Clubs at the time of breeding.
 - 2. Bitches may be nominated at any time between the breeding and whelping dates. The exact date for the beginning and ending of nominations will be determined by the actual date of the Futurity or by the Futurity Committee.
 - 3. All dogs are made eligible for competition before they are born; however, it is only through the bitch that they are made eligible. Nominations of bitches must be made after the bitch is bred and before the bitch whelps. Only puppies whelped by nominated bitches after the date of nomination are eligible. The date of the Post office cancellation stamp on the envelope will determine the date of nomination. A fee of \$10.00 shall accompany the nomination of each bitch.
 - 4. Puppies from litters whelped by nominated bitches are eligible even though sold to a new owner between the whelping date and the date of the futurity. The new owner need not be a member of the GDCA or one of its Affiliated Clubs, providing the nomination of the bitch was made by a member breeder.
 - 5. Upon verification of eligibility, the breeder will be sent a form on which to nominate individual puppies from the litter. A fee of \$7.50 is required for each puppy nominated from each litter nominated (there is no limit on the number of puppies nominated from any one litter). However, the nominations must be made before the litter is three months of age.
 - 6. An additional fee of \$15.00 [93] will complete each individual nomination. This will be done on a separate nomination blank by the 3rd Friday in August [94], at which time all identifying information must be given (name of puppy, litter registration number or individual registration number, name of actual owner).
 - 7. Puppies from three months of age, and under twelve months of age, shall be required to compete only against each other. Similarly, Juniors from twelve months of age, and under eighteen months of age, shall be required to compete only against each other. Puppies and Juniors shall compete only against each other, as provided in these Conditions.
 - 8. In the event that a change must be made in the show date, then the original date shall be the one used in determining eligibility of nominees. Should the show date be set after the original date, then the age limit shall be increased to take care of the differences in time from the original date to the revised date, and the nominees affected shall still be eligible for competition in the Junior classes.

9. Nominations of bitches and nominations of puppies must be on official forms supplied by the Futurity Committee and must be accompanied by checks or money order made payable to: The Great Dane Club of America, Inc. They shall be forwarded to the Futurity Statistician.
10. Entry fees will be retained in the event a nominated bitch or puppy is found to be ineligible under the above conditions.

TOP 20 RULES AND REGULATIONS

I. General

- A. The Top 20 Committee shall be made up of the Top 20 Chairperson and accountant chosen by the Division.[117]
- B. The Top 20 Invitational Chairperson will be a member of the Hosting Division and shall be appointed by the Hosting Division with the approval of the GDCA Board of Directors. The GDCA Board of Directors shall appoint a Top 20 Statistician.
- C. The Top 20 Chairperson shall make certain that the format used for Top 20 Invitational to date is followed, so that each annual event is the same in each division.

II. Information and guidelines

- A. Purpose: To encourage the showing of Great Danes in conformation classes, and to provide an educational experience for judges, exhibitors, breeders, and fanciers. This event will provide a special recognition to those Great Danes with the most outstanding records, as well as their breeders, handlers, and owners. It will also provide incentive to strive for Great Danes excelling in structure, intelligence, type, and soundness.
- B. Statistics and eligibility: There are no eligibility requirements other than being named among the final Top 20 Great Danes for conformation.
 - 1. The Top 20 standings are based on show results as published in issues of the AKC Gazette. The tabulations are collected for shows beginning with the first show in January and ending with the last show in December in each year. An official Top 20 Statistician compiles monthly tabulations. The score is kept based on Breed Points only. Standings are recorded on information from the AKC Awards Magazine and Notification from the AKC of an error.
 - 2. All dogs, including any and all ties through the 20th position will be invited. Death of a Top 20 candidate will not change the standings. Previous Top 20 Winners are eligible to compete. [137] In the instance that two Danes are tied for one Top 20 position both will receive the ranking even if the total count goes to 21 or higher. [146]
- C. The uniqueness of the event: The event offers all who attend a chance to view "The Cream of the Crop." Using the scale of points, each dog is evaluated according to how closely it conforms to the Breed Standard. This procedure is not available at any point show, and allows the spectator the opportunity to evaluate the dogs, scoring them at the same time they are being judged. The dogs are observed from a positive approach; they are not fault judged. The event is educational, promoting discussion of the Standard, and encouraging the exchange of ideas.

- D. The judges: Selection of judges will be made by a vote of the owners of the Top 20 Danes, which will choose from each of the following categories. A CPA will count top 20 judges ballots. [49] Ties for Top 20 judges will be resolved by instructing the CPA to draw between the tied names. [50]
1. Handler. A Professional Handler, past or present, having at least ten years' experience.
 2. Breeder. An established Great Dane Breeder or an established Great Dane Breeder that is also an AKC-Approved Judge of Great Danes, who has been breeding for at least ten years. [119] .
 3. Multi-Breed AKC-Approved Judge. An AKC-Licensed Judge approved to Judge Great Danes and at least ten other breeds in any group.
- E. The names of those selected to judge will come from the owners of the dogs eligible for competition. Each owner will be asked to submit one name in each of the three categories. The owners & co-owners are those of record as of December 31st in the year the dog qualified. Judge selections will not be announced until the very evening of the Top 20 Invitational Competition.
- F. Judges may include anyone in the Hosting Division eligible to judge. A member of a judge's household may not show in the Top 20.
- G. The accountant will forward the name of the person with the highest number of votes (in each category) to the Top 20 Chairman so they can determine eligibility of that person. If the person with the highest number of votes is ineligible or unavailable, the accountant will forward the name of the person with the second highest number of votes. This will continue until one judge is secured in each category. [118]
- H. Scoring and evaluation: Each participating Great Dane is individually evaluated by each judge, using the scale of points outlined on the attached score sheet. Half points may be given at the Judges' discretion. [98] Score sheets will be tabulated by a C.P.A. The C.P.A. is to be selected by the Top 20 Chairperson. The C.P.A. will not have any affiliation with the G.D.C.A. or any Affiliate Club. The C.P.A. tabulates and totals each dog's score in the following manner:
1. The scores for each dog from each of the three judges are tabulated, added together, then divided by three, to determine the "Total Average Final Score."
 2. In the event of a tie, the CPA determines the winner by consulting the "Average Placement Score" given by the Judges. The Average Placement Score is the Judge's first impression of a dog prior to examination, and is based on a 1-10 scale, with 10 being the highest score. This score is **ONLY USED TO BREAK A TIE**, and is tabulated by adding the three Average Placement Scores together, and dividing by three, to determine the "Total Average Placement Score."
 3. The Great Dane with the highest "Total Average Final Score," or in the event of a tie, the highest "Total Average Placement Score," is the winner. If two dogs have the same 'Total Average Final Score' AND the same 'Total Average Placement Score', there will be two Top 20 Winners. [151] The winner of this event will not be announced until the evening of the Awards Dinner. The winner will be announced by the Top 20 Chairman [144].
 4. The CPA upon compilation of the ballots and with the winner of the event announced will destroy the ballots [52]

5. The CPA will attend the Awards Dinner [99]. The will hand carry and present the envelope containing the name of the Top 20 Winner to the Top 20 Chairman.

III. Procedures

Contents of the catalog include a two-page spread highlighting each dog in the Top 20, score sheets and judging material, a profile on each judge, and a gallery of previous Top 20 winners. Catalogs will sell for \$15.00 [103].
- C. Three digit armband numbers will be generated by a random number generator and will be published in the Top 20 catalog. Top 20 Statistician will place each dog's name on the back of the armband before it is sent to the Top 20 Division Chair so it is ready for the night of the competition. At the conclusion of the competition, the stewards will collect the armbands to give to the accountant to prepare the composite score, put it in sealed envelopes and have ready for the individual owners at the awards banquet. The accountant will put each dog's name on the outside of its envelope. The Top 20 Winner's envelope will be placed in a blank envelope. Envelopes for all other participants will be placed in one large manila envelope. The blank envelope, containing the winner's name will be affixed to the outside of the manila envelope.[152] After the winner of the Top 20 is announced, an aggregate score of all 3 judges will be given to the owner of a Top 20 contender upon their request.
