## CINDY HARWIN, SHOW CHAIRMAN

WELCOME TO THE BEST OF THE WEST!

Our Division has worked very hard to make this National one that will thrill you in many ways, from beautiful dogs to memorable events to make you smile for a long time to come.

Becoming the Show Chairman of this event has opened this special world up to me more than I could ever imagine. New friends, new skills, and a lot of patience have been learned by this Great Dane lover, breeder, and exhibitor.

Best of Luck to all and remember the dogs we all care for and love are all winners!

*Cindy Harwin*

## WELCOME PARTY

We had a great party with great food and entertainment. With over 20 international guests from around the world joining us, it was a great place to meet and greet old and new friends and talk about the love of our Lives, our dogs.

## JOSE RIBO JUDGING DOGS

## 2011 NATIONAL FUTURITY

The Futurity kick-started the National with a bang. A large entry drew a standing room only crowd in the Wigwam Ballroom. There were also over 50 people watching the live stream video feed over the internet worldwide. There was a large screen monitor, also running the live stream video in the Ballroom so we could see what they were seeing online. There were lots of beautiful puppies and I am sure we are all looking forward with great anticipation seeing all of the winners today and the newly crowned Futurity Champion.
